

### Face to Face International

Mobilizing the people, programs and resources required to achieve universal access to sexual and reproductive healthcare.

### Asia Pacific Alliance (APA)

Donor country population and development stakeholder network to promote ICPD-PoA policy dialogue and best practices.

### Resource Mobilization Advisory Group

30 developing country population and development stakeholders from 9 Asia and Pacific Island countries.

PARTNERS

**Building Towards the Future** a large-scale governmental and non-governmental organization capacity-building initiative designed to help accelerate implementation of the ICPD Program of Action and achievement of the Millennium Development Goals in the Asia and Pacific Island regions.

PROGRAM

**1. The Workshop** August 13–14, 2004  
Experts from Asia and Pacific Island regions identify population development organization capacity-building needs.

#### Participants include:

- Governmental and NGO managers
- Development assistance officers
- Members of parliament
- Celebrity advocates

#### Workshop Output — Identification of:

- Specific governmental agencies and NGOs in the 13 targeted developing countries that could benefit from development program design and resource mobilization capacity-building
- Specific partnership development, program design and resource mobilization capacity-building needs
- Interactions between reproductive health and the MDGs
- Case histories, success stories, trainers and other consultants that contribute to capacity-building in the region
- Potential donors and their requirements
- Two permanent initiative advisory groups: one for Asia; one for the Pacific Islands

PROGRAM DEVELOPMENT STEPS

### 2. The Resource Mobilization Grant

With output of the workshop, Face to Face International will prepare a large-scale grant proposal for the regional Building Towards the Future capacity-building initiative. The grant proposal will be presented to multi- and bi-lateral donor agencies.

### 3. The Capacity-Building Initiative

#### Target countries:

Cambodia	Papua New Guinea
Laos	Samoa
Myanmar	Solomon Islands
Timor-Leste	Tonga
Vietnam	Tuvalu
Fiji	Vanuatu
Kiribati	

#### Capacity-Building Activities:

- Build/strengthen social service program partnerships between governmental and non-governmental organizations
- Co-design social service programs to dramatically increase number of people served
- Design sector-wide and multi-sector (health, education and employment) social service programs
- Develop social service programming that considers and contributes to the MDGs
- Build individual institutions and/or coalitions capable of securing and managing larger development budgets
- ✓ Develop/improve financial reporting, monitoring and evaluation systems

### Asia and Pacific Island Region Goals

- A reversal in the spread of HIV/AIDS
- A decrease in infant mortality
- A decrease in maternal mortality
- A reduction in poverty and hunger
- A halting of environmental degradation
- The formation of the partnerships necessary to accomplish the aforementioned objectives and ensure that the progress is sustainable
